---

## ANNUAL GOLF TOURNAMENT

---

*Monday July 20, 7:30 a.m. - Noon*

*Tournament Guidelines Attached*

---

# 2015 TEXAS EXTENSION SPECIALIST ASSOCIATION ANNUAL MEETING GOLF TOURNAMENT

Anyone attending the Annual Meeting is invited to participate in the tournament. It will be held on Monday morning, July 20, at 7:30 a.m.

We need to know who will be playing by July 1, 2015. Tee times are already set, but the number can be adjusted some between now and July 1.

First tee time starts at 7:30 a.m.

## **Landa Park Municipal Course in New Braunfels**

This course is less than 15 minutes from the T Bar M and runs along the Comal River. A map will be sent to participants. Group leaves the hotel about 7:00 a.m., and should return in plenty of time for the TESA Board meeting at 1:00 p.m. There is no driving range but they do have warm-up cages and a large putting and short game practice area with bunker.

Green fees (including cart) are \$42 + tax.

Members of the winning team will probably receive a prize. Don't expect much.

This tournament is only for golfers who are there to have fun and not be too serious about it.

## **Special TESA Golf Tournament Rules:**

**#1 We will have fun.**

**#2 Other rules:**

Each player gets one mulligan per 9 holes... i.e. 2 mulligans for the day.

Each player also gets one "throw"\* per 9 holes... again 2 for the day.

We will play scramble rules meaning everyone on the team plays from the location of the best shot each time. We don't want anyone breaking their clubs, so feel free to place your ball in a good line within a foot or so of the best shot. Women will hit from the front tee-box (of the 5) and men will hit from the middle tee-box (of the 5).

\*When taking one of your two throws, you can throw the ball to increase the chances of lowering your score. The throw does not count as a stroke. Throws can be used anywhere on the course including tee-box, fairway, sand, water (if safe situation) and green. The purpose of the mulligans and throws is to impress all other Specialists when scores are announced at the memorial dinner. (Mulligans and throws will not be mentioned at the memorial dinner.)

For questions, contact Jackie Smith at Lubbock: 806-746-6101 or [j-smith34@tamu.edu](mailto:j-smith34@tamu.edu)

# Save the Date
